

# STAR NEWS

February 2024

Dear Simpson Families,

Happy February! We look forward to seeing you soon next month for parent-teacher conferences. In the past we held early release conferences in February. However, I want you to **SAVE-the-DATE for Wednesday, March 6th, and Thursday, March 7th for early release days. Students will have early release days and be dismissed at 1 PM.** You will once again be able to sign up for your conference time(s) online. Also, please feel free to join me on **Thursday, February 8th for our PTA Starry, Starry, Night Reflections Award Ceremony at 6 PM.** Thank you ALL for your continued support! It is an honor to serve as your principal. Have a wonderful February!

Proud to be your principal,

Dr. Connery

## GCPS Educational Effectiveness Surveys: Opportunity to Participate in Family Survey

Each year, GCPS collects feedback from our families about their child's school as part of our commitment to improvement. This year, the school district is partnering with the Center for Educational Effectiveness to give Educational Effectiveness Surveys (EES) that provide feedback on nine characteristics of high-performing schools. Those characteristics are:

- *A clear and shared focus*
- *High standards and expectations for all students*
- *Effective school leadership*
- *Strong communication and opportunities to work together*
- *What we teach, how we teach, and how learning is aligned with state standards*
- *Frequent monitoring of learning and teaching*
- *Focused professional development*
- *Supportive learning environment*
- *High levels of family and community involvement*

In addition, the survey asks about two other areas associated with high-performing schools—district support for improvement and respect for diverse cultures and backgrounds. The survey will be available for parents to complete starting **Thursday, February 1st-29th**. We hope you will lend your voice to making Gwinnett County Public Schools the best it can be for our students. Please be prepared to access the link to the Family Survey via Parent Square this Thursday.

# CARING AWARD

The GCPS Caring Award aims to honor outstanding students at the elementary, middle, and high school levels who have gone above and beyond in embodying the values of empathy, kindness, and community engagement. We believe in acknowledging and celebrating the positive impact that our students make in the lives of those around them. There will be two district winners for 5th grade, 8th grade, and 12th grade.

At Simpson Elementary, we invited staff members to nominate students that they felt were deserving of this honor. From those nominations, a committee narrowed it down to our top 3. We are pleased to announce 5th graders **Ethan Egebara, Harper Fahey** and **Kieran Halron** as our finalists for the Caring Award!

**Our 2024 Simpson Elementary Caring Award recipient is Kieran Halron!** Kieran will move on to the district level. We are so proud of all three of these kind, empathetic superstars!

**February is Black History Month**

The United States observes Black History Month during the month of February to pause and reflect on the history, cultures, and contributions of African Americans. In 1926, Carter G. Woodson established a week to celebrate the history of African Americans that coincided with the birthdays of Abraham Lincoln and Frederick Douglass. The week was expanded into a month-long celebration in February of 1976 and remains that way today.

**Please see some but not limited to, some of the Black History Month lessons taking place at Simpson:**

- Simpson News Network (SNN) Morning Announcements of African Americans who contributed to society
- Computer Science: Featuring famous Black Computer Scientists and Inventors in CS classroom lessons
- Art: Classes are learning about black artists, Alma Thomas and David Drake. Students are creating art based on these artist's styles and the work will be displayed in the art gallery in February.
- Music: Featuring different musicians throughout music classes (including Ella Fitzgerald and Ella Jenkins in Kindergarten/Stevie Wonder and Motown in 2nd grade); 5th grade is learning about African American musical traditions, etc.
- Spanish: Will have lessons about Afro-Latinos in History.
- Health: Classes are learning about Wilma Rudolph African American Olympic Gold Medalist and Elementary School Teacher who overcame many barriers to her physical health as a baby and young child through her perseverance and determination.

# SIMPSON ELEMENTARY SCHOOL

Recognized as one of the  
 “Best Elementary Schools”  
 by *U.S. News & World Report*

## Simpson Elementary is in the top 10 for GA Elementary Schools!

According to **US News Report for 2024**, Simpson Elementary School is ranked #6 as one of the BEST Elementary Schools in the State of Georgia. Schools are ranked on their performance on state-required tests, graduation, and how well they prepare their students for high school. Simpson is ranked as:

- #1 in Gwinnett County Public Schools
- #6 in the State of Georgia

## Simpson PBIS

Greetings Parents,

Simpson Elementary's Positive Behavior Intervention and Support (PBIS) program focuses on a positive behavioral expectation schoolwide. PBIS is an approach schools use to promote school safety and good behavior. With PBIS, schools teach kids about behavior expectations, strategies, and with a primary focus on having a positive prevention, not consequences.

What is PBIS at our school?

A unified set of school wide expectations for behavior in our school. We are Simpson Superstars, so to ensure that students can easily comprehend our expectations, we have established a 5-star approach for appropriate behaviors posted throughout the school. Your child has been learning these expectations since the first few days of school.

What are the 5-Star Expectations at Simpson Elementary?

1. Be Respectful
2. Be Responsible
3. Be Ready to Learn

4. Be Safe
5. Be Kind

As part of our PBIS process, teachers and other staff members use evidence-based practices to increase student learning and decrease classroom disruptions. To keep students on the rules in a positive manner, we do the following when teaching academics and behavior:

- ▮ Constantly teach and refer to our school-wide expectations.
- ▮ Provide students with more praise than correction.
- ▮ Talk to students with respect using a positive voice tone.
- ▮ Actively engage everyone in the class during instruction.
- ▮ Use pre-correcting, prompting, and redirecting as we teach.
- ▮ Look for the positive first and provide positive, immediate, frequent, and explicit feedback.

Our students are motivated by receiving STARBUCK PBIS dollar incentives for recognition of positive student behavior. Students spend their Starbucks in our PBIS Store weekly during their grade level buying days. Students can choose tangible items such as erasers, snacks, bracelets, pop its, and more! We also sell coupons for various rewards such as show and tell, tell a joke on the morning news, and positive phone calls home! Lessons on saving and spending have been integrated and students have been eager shoppers!

# QUESTIONS?

Q: Will corsages be provided?

A: Yes! Corsages will be provided for all Simpson students at the door.

Q: Are tickets available after the ticket window closes?

A: No. We recommend purchasing a ticket, even if your child is on the fence about coming. The days leading up to the event, many girls change their minds as students start discussing it at school. Unfortunately, we are unable to accommodate emails requesting tickets after the ticket window has closed, no exceptions.

Q: Will tickets be sold at the door?

A: No. Tickets will not be sold at the door.

Q: Should we eat dinner before the event?

A: Yes! Refreshments at the event will be minimal. We strongly recommend eating dinner prior to the event.

Q: How does pricing work?

A: Tickets are \$15 per person. For example: One student and one adult is \$30. Two students and one adult is \$45.

Q: Is this event the same as the Father/Daughter event?

A: Yes. We have renamed the event to be more inclusive of all family dynamics. This event is intended for girls at Simpson and a special date like a father, uncle, grandfather, or other special adult if the previous are unavailable. Mothers, aunts, grandmothers are also welcome. We don't want anyone to feel left out!

Q: What is the dress code?

A: Party attire is perfect! For young ladies, dresses, skirts, or dressy pants and blouses and for adults khakis, dark pants, polos, and button down shirts.

Q: How can I help?

A: We have a signup for volunteers for planning, day-of setup, and day-of staffing. This is a volunteer led event and we appreciate everyone who is able to help out!

Q: What will the dance be like?

A: We will have a DJ, a craft, light refreshments, photo opportunities, 360 video cameras, karaoke, and silent disco. If you see a line, we recommend finding another activity and coming back later.

Q: What if I have a question that isn't answered above?

A: Email us at: [fatherdaughterevent@simpsonespta.org](mailto:fatherdaughterevent@simpsonespta.org). Please note, we will be unable to answer emails the day prior to the event and the day of the event.
