March 2024

Greetings Superstars!

Black History Month (BHM) 2024 was AMAZING! Thank you to all of our staff members and students for helping me celebrate Black History Month. It was full of instructional learning opportunities mixed with excitement and fun! To recap, we had weekly morning announcements of historical African Americans who made contributions to society, African American Cultural Art Lessons during connections, bulletin board presentations throughout the school, and BHM Spirit Dress-Up Week. *Thank you all for making this year's BHM a memorable and joyous occasion for all to enjoy!* Just as a gentle reminder, **Early Release Conferences will be held on Wednesday and Thursday, March 6th & 7th . In addition, student dismissal will take place at 12:50 PM.** As always, please do not hesitate to contact the main office if you have any questions.

## 24-25 Parent Input Form

It is that time of year again to ask parents for their input in the class placement selection process for the 2024-25 school year. Starting **March 1st- 10th** you will have an opportunity to share your desires for your student's class placement. This year, the form includes opportunities for you to choose personality traits of your child's teacher next year, friendship requests and a small section for you to add follow up comments. Please understand that we will do our best to honor your input during the class selection process, however we cannot guarantee every request will be honored. Our goal is to provide a positive school year experience for all students for the 2024-2025 school year.

## WHAT IS #SELDAY?

### The Fifth Annual International SEL Day is March 8, 2024!

SEL Day is a global, grassroots campaign for social-emotional learning to support children's academic recovery, mental health, and well-being. Since its inception in 2020, #SELday has reached over 40 million views.

In 2023, over 4,000 SEL champions representing all 50 U.S. states and 87 countries made 11,000 commitments to showcase, promote, advocate, and support SEL. Advocacy efforts have resulted in SEL Day proclamations in fifteen states, a letter of support from the White House, and a bipartisan resolution for SEL Week introduced in the Senate.

### SPREAD POSITIVI-TEE!

To help celebrate #SELDay, join the Office of Social Emotional Learning by encouraging students and staff to wear a positive message TEE-shirt on March 8, 2024! At the beginning of the day, share your message with others.

### How Can You Support PBIS at Home?

We encourage you to reinforce our PBIS norms at home. By doing so, you will be encouraging your child's social and academic growth.

#### PBIS At HOME

- Use the PBIS norms (respectful, responsible, ready, safe, and kind) at home.
- Create a visual chart outlining appropriate behaviors in different settings/locations at home. For example, what does respect look like in the kitchen?
- Post your chart somewhere where your child can easily reference it during teachable moments.
- Collaborate with your child on how you will give regular positive recognition and incentives for appropriate behavior.

If you are willing to share your home PBIS chart, email it to [cassidee.harris@gcpsk12.org](mailto:cassidee.harris@gcpsk12.org)

## Simpson PBIS

Greetings Parents,

Simpson Elementary's Positive Behavior Intervention and Support (PBIS) program focuses on a positive behavioral expectation schoolwide. PBIS is an approach schools use to promote school safety and good behavior. With PBIS, schools teach kids about behavior expectations, strategies, and with a primary focus on having a positive prevention, not consequences.

What is PBIS at our school?

A unified set of school wide expectations for behavior in our school. We are Simpson Superstars, so to ensure that students can easily comprehend our expectations, we have established a 5-star approach for appropriate behaviors posted throughout the school. Your child has been learning these expectations since the first few days of school.

What are the 5-Star Expectations at Simpson Elementary?

1. Be Respectful
2. Be Responsible
3. Be Ready to Learn

## 5. Be Kind

As part of our PBIS process, teachers and other staff members use evidence-based practices to increase student learning and decrease classroom disruptions. To keep students on the rules in a positive manner, we do the following when teaching academics and behavior:

- Constantly teach and refer to our school-wide expectations.
- Provide students with more praise than correction.
- Talk to students with respect using a positive voice tone.
- Actively engage everyone in the class during instruction.
- Use pre-correcting, prompting, and redirecting as we teach.
- Look for the positive first and provide positive, immediate, frequent, and explicit feedback.

Our students are motivated by receiving STARBUCK PBIS dollar incentives for recognition of positive student behavior. Students spend their Starbucks in our PBIS Store weekly during their grade level buying days. Students can choose tangible items such as erasers, snacks, bracelets, pop its, and more! We also sell coupons for various rewards such as show and tell, tell a joke on the morning news, and positive phone calls home! Lessons on saving and spending have been integrated and students have been eager shoppers!

### Buying Days

Monday-5th grade

Tuesday-4th grade

Wednesday-2nd and 3rd grade
